

CE Tracking Form

Application Registration Number:	
----------------------------------	--

To fulfill the CE requirement of 90-hours of pain management-specific CE within the past eight years, a licensed veterinary health professional must have five years of clinical experience working with animals in pain. Below is an outline of accepted CE requirements:

- 1. Education specific to pain management offered at any major veterinary conference
- 2. Rehabilitation & acupuncture training programs
- 3. Internship/observation with time spent in anesthesia/analgesia services or rehabilitation/acupuncture (please see the Internship/Observation form for completion)
- 4. Online pain-related CE from any major veterinary related organization
- 5. Non-RACE approved, online, industry-based CE will be considered on a case by case basis
