CVPP Internship/Observation Record

Name

Applicant Registration Number

Option 1: Up to 45 hours of internship/observation with a CVPP or Diplomate (AVMA, AVA, ECV, or regional equivalent) providing anesthesia/pain management services. The candidate submits a letter describing the characteristics and capabilities of the pain management services being provided. The mentor/observer is required to document the dates and hours the candidate is on their service using the Internship/Observation Record.

Option 2: Up to 20 hours of internship/observation with a CVPP or Diplomate (AVMA, AVA, ECV, or regional equivalent) providing rehabilitation or acupuncture related pain management services. The mentor/observer is required to document the dates and hours the candidate is on their service using the Internship/Observation Record.
